Facilities

Open-air Theatre/Amphitheatre

We offer students a vibrant campus life with a dedicated open-air venue for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to the holistic development of students.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Cafeteria

SAGE's cafeteria is more than just a dining place. It's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambience makes them want to come back for more.

Information Technology Laboratory

Humans have been dealing with information for a long time. Our information technology lab focuses on studying how to design, implement, and manage computer-based systems that help businesses. Students learn to support operational needs in various industries. We also encourage lifelong learning and professional development through continuing education.

Laboratories

The university offers advanced labs for hands-on training, fostering a strong academic environment. These labs provide practical exposure and a chance for students to apply what they learn in class. It highlights the training programme offered to researchers for hiring & specific equipment following safety protocol. Regular audits ensure proper facilities and support for students' experiments.

Agricultural Land

SAGE University in Bhopal has 30 acres of agricultural experimental land and 2 acres of hi-tech polyhouses. We prioritize hands-on practical experience for our students by involving them in every stage of agricultural activities, from sowing to harvesting various crops. We conduct research trials of crops like Rice, Wheat, Chickpea, and produce green vegetables & flowers in the polyhouse.

Design & Drawing Studio

We use advanced design techniques for interactive software and emphasize drawing skills in our studio. Our focus is on contemporary art issues and individual creativity. We also explore 3D object and packaging design as part of our advanced graphic design practices.

Dance Studio

Welcome to our dance studio, where dreams take flight. In the heart of our university, shining bright. In this sanctuary of creativity and passion, our studio is a place where the body expresses what words cannot say. Come, let's dance the day away.

Music Studio

SAGE University, provides industry-standard equipment to flourish polished students and thus aids with the music studio. Welcome to the territory of melody and sound, where musical dreams in our university abound. This creative facility provides students with a vibrant space to compose, record, and refine their musical talents under the guidance of experienced faculty.

TV/Film Studio

Student discovers journalism and filmmaking in our advanced studio, emphasizing innovative storytelling, cinematography, and editing. Our program explores contemporary challenges and individual creativity, providing a foundation for a successful media career.

Audio Studio

Dive into our cutting-edge audio studio, ideal for avid recording students. Our program delves into sophisticated recording processes, focusing on current techniques and individual creativity.

Photography Studio

Explore the art of photography in our advanced studio, which focuses on creative techniques and approaches. Our program emphasizes modern day concepts and individual originality, providing a solid foundation for a successful career in photography.

Sports Complex

The Sports Complex at SAGE University Bhopal offers state-of-the-art facilities, catering to various indoor and outdoor sports. Equipped with modern courts, it encourages students to excel in physical fitness. With dedicated coaches and regular training, students develop skills and sportsmanship. This complex embodies the university's commitment to a balanced, healthy, and active lifestyle.

Cricket Ground/ Stadium

At SAGE, we understand that Cricket is like a religion in India. Our cricket ground, spanning 18,000 yards, is designed with the love for this popular sport in mind. The stadium infrastructure includes a cricket ground with a natural turf pitch for all the cricket enthusiasts.

Swimming Pool

The state-of-the-art Olympic size swimming pool at SAGE University Bhopal offers world-class facilities for both recreational and competitive swimmers. With modern filtration systems, temperature control, and spacious lanes, it supports a range of aquatic sports and fitness activities. The pool's design emphasizes safety, accessibility, and an optimal swimming experience.

Basketball Courts

The basketball court at SAGE University Bhopal is a top-tier facility designed for both practice and competition. Featuring high-quality flooring, regulation-sized hoops, and optimal lighting, it supports the development of athletes. Its spacious layout and modern amenities provide an excellent environment for training and hosting basketball events.

Counselling and Legal Assistance Hub

Mental health is crucial, affecting both physical and mental well-being and thus, we prioritize it by providing a student counselor. Students can discuss any problem they face, and the counselor offers support and solutions.

Hostel Facility/ Student Accommodation

The hostels at SAGE University Bhopal, aims to be a "home away from home," offering motherly care. They are among the best on campus, situated in a peaceful location with lush green surroundings for quiet walks. The separate boys' and girls' hostels ensure top-notch security. The modern architecture of the hostels provides spacious, ventilated rooms with balconies. Various co-curricular activities are organized to promote the overall development of the residents.

Transportation facilities

We run a fleet of buses to facilitate students and staff to commute to and from various places in Bhopal and nearby areas. All buses can entertain a high capacity effortlessly. The safety and security of the students and faculty are at prime.
