About SAGE University

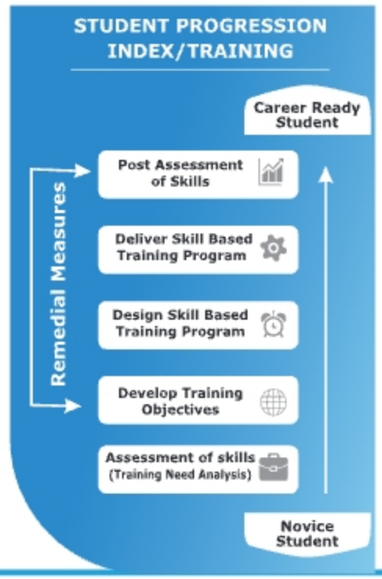

SAGE University, Bhopal, stands at the forefront of transformative education, dedicated to strategic expansion and delivering exceptional multi-disciplinary learning experiences. The university champions holistic development, cultivating values, competencies, and critical thinking skills that empower students to navigate complex real-world challenges with confidence and clarity. Recognized as a premier Centre for Education, SAGE University Bhopal is committed to shaping visionary leaders through pioneering academic methodologies and forward-thinking programs. With unwavering focus on experiential learning and intelligent pedagogy-including a distinctive 50% outside classroom learning approach—the university equips students to thrive in dynamic professional landscapes through real-world projects, industry immersions, and hands-on problem-solving experiences. Distinguished by its faculty, cutting-edge infrastructure, and remarkable placement outcomes, SAGE University has established itself as a leading educational institution across Central India. The university aspires to become a global powerhouse in education and research, establishing new standards of excellence through innovative teaching practices and progressive institutional vision. SAGE University fosters an intellectually vibrant, student-centered environment, providing advanced facilities that ensure comprehensive educational experiences. The institution distinguishes itself by prioritizing continuous learning, personal transformation, and ethical leadership development.

Pedagogy

SAGE University's transformative pedagogy centers on exploration, innovation, critical inquiry, and knowledge creation. Our distinctive "Explore and Develop" philosophy shapes pioneering career pathways and dynamic academic programs, emphasizing experiential learning methodologies. With 50% of learning occurring beyond traditional classrooms through industry partnerships, field projects, and immersive experiences, we cultivate highly employable graduates equipped with advanced technical expertise, inventive problem-solving capabilities, and exceptional communication proficiency-ensuring comprehensive professional and personal development.

- Recipient of 10+ prestigious research grants.

Adding wings to your dreams!

SAGE Institute of Research and Technology-Pharmacy

SIRT-P, established in 2004, is a renowned institution dedicated to provide high-quality pharmacy education. SIRT-P is deeply committed to impart the best technical knowledge by following a modern curriculum and research methodologies approved by Pharmacy Council of India (PCI), and adopted by SAGE University Bhopal. Throughout its existence, the institute has consistently strived for growth and progress. The campus comprises the institute building, which houses a well-equipped library, an animal house for practical training in physiology and pharmacology, an herbal garden, and computer facilities to facilitate effective communication and embrace technological advancements. SIRT-P is dedicated to create a well-equipped learning ecosystem that promotes research, innovation, and entrepreneurship among students. The institution boasts a state-of-the-art Instrumental Laboratory known as the SIFC (Sophisticated Instrumentation Facility Center). This laboratory is equipped with a range of cutting-edge machines and devices for quality assessment, including the Differential Scanning Calorimeter (DSC), High-Performance Thin Layer Chromatography (HPTLC), High-Performance Liquid Chromatography (HPLC), Infra-Red Spectrophotometer (IR), Ultra Violet Spectrophotometer (UV), and many others.

Programs Offered

Campus Buzz

Facilities

Open-air Theatre/Amphitheatre

We offer students a vibrant campus life with a dedicated open-air venue for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to the holistic development of students.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Cafeteria

SAGE cafeteria is more than just a dining place. It's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambience makes them want to come back for more.

Sophisticated Analytical Instrumentation Technique

SIFC is a sophisticated analytical laboratory equipped with the latest high-end instruments, providing hands-on training and experiential learning to scholars and researchers. The facility supports advanced analytical work, method development, and research innovation across multidisciplinary domains. Instruments such as **DSC, HPTLC, HPLC, FTIR,** and **UV–Visible Spectrophotometer** enable accurate qualitative and quantitative analysis.
