About SAGE University

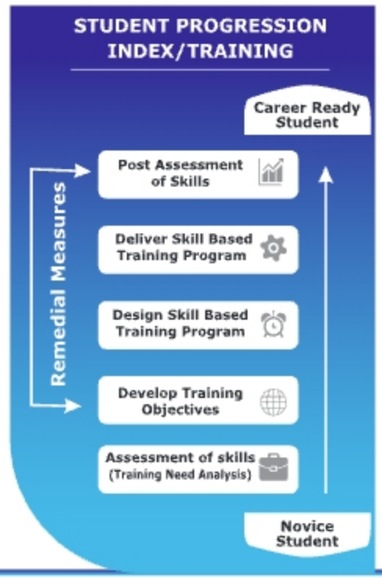

SAGE University, Bhopal, stands at the forefront of transformative education, dedicated to strategic expansion and delivering exceptional multi-disciplinary learning experiences. The university champions holistic development, cultivating values, competencies, and critical thinking skills that empower students to navigate complex real-world challenges with confidence and clarity. Recognized as a premier Centre for Education, SAGE University Bhopal is committed to shaping visionary leaders through pioneering academic methodologies and forward-thinking programs. With unwavering focus on experiential learning and intelligent pedagogy-including a distinctive 50% outside classroom learning approach—the university equips students to thrive in dynamic professional landscapes through real-world projects, industry immersions, and hands-on problem-solving experiences. Distinguished by its faculty, cutting-edge infrastructure, and remarkable placement outcomes, SAGE University has established itself as a leading educational institution across Central India. The university aspires to become a global powerhouse in education and research, establishing new standards of excellence through innovative teaching practices and progressive institutional vision. SAGE University fosters an intellectually vibrant, student-centered environment, providing advanced facilities that ensure comprehensive educational experiences. The institution distinguishes itself by prioritizing continuous learning, personal transformation, and ethical leadership development.

Pedagogy

SAGE University's transformative pedagogy centers on exploration, innovation, critical inquiry, and knowledge creation. Our distinctive "Explore and Develop" philosophy shapes pioneering career pathways and dynamic academic programs, emphasizing experiential learning methodologies. With 50% of learning occurring beyond traditional classrooms through industry partnerships, field projects, and immersive experiences, we cultivate highly employable graduates equipped with advanced technical expertise, inventive problem-solving capabilities, and exceptional communication proficiency-ensuring comprehensive professional and personal development.

Adding wings to your dreams!

SAGE School of SCIENCES

Science has always been driven by passion and zeal to enlarge the knowledge circle. Innovative ideas bubbling in young brains harbor strength to transform the world. SAGE School of Sciences is a place where we nurture future scientists who will work for Pain Free World and Disease Free Society. To accomplish this goal, SAGE School of Sciences is well supported by faculty members from diverse range of research expertise acquired from institutes of eminences nationally as well as globally. The laboratories are well equipped with modern research facilities and computing to perform experiments in wet labs and in-silico.

2. SAGE Entrance Examination (SEE)
3. Qualification for each program as per Government Norms

Research-based Teaching | Dissertation in National Scientific Laboratories by Govt. of India | Center of Excellence in Plant Biotechnology | Students from PAN India (Kerala, Chennai, Bihar, Telangana, Gujarat Uttar Pradesh, Maharashtra

SAGE School of Sciences

Vision

To nurture the young brains into future scientists for creating world as a better place to live and to foster research for industry ready applications and human resource.

Mission

- To unlock the potential of young brains through excellence in education, research and innovation for the upliftment of the society.
- To nurture innovative ideas for painless world and disease free society
- To create leaders for tomorrow for uplifting criminal justice system.

Student achievements

Ms. Amisha Jain Student of M.Sc IV Semester Working as Dissertation Trainee at SUN Pharma

Kumari Shambhavi Student of M.Sc IV Semester Working as Dissertation Trainee at CSIR- IHBT, Palampur

Student of School of Sciences, Performing Experiments in Highly Equipped Laboratory

Alina Methew Student of M.Sc IV Semester Working as Dissertation Trainee at CSIR- IMTECH, Chandigarh

Facilities

Open-air Theatre/Amphitheatre

We offer students a vibrant campus life with a dedicated open-air venue for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to the holistic development of students.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

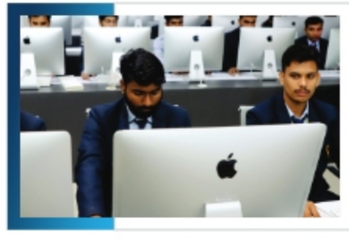

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Cafeteria

SAGE cafeteria is more than just a dining place. It's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambience makes them want to come back for more.

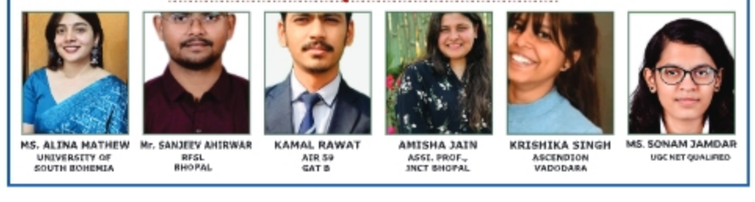

Information Technology Laboratory

Humans have been dealing with information for a long time. Our information technology lab focuses on studying how to design, implement, and manage computer-based systems that help businesses. Students learn to support operational needs in various industries. We also encourage lifelong learning and professional development through continuing education.
