GUIDING FORCE OF THE

University

From the Chancellor's Desk

Er. Sanjeev Agrawal

Chancellor

SAGE University, Indore - Bhopal

I firmly believe that the young blood should be trained to walk on the diverse paths of life fluidly and thus we envision fabricating better human beings, with deep-rooted academics, who are fierce enough to survive the upheavals of the economies of the world. At SAGE University Bhopal, we embark on a journey fueled by a vision to redefine education and prepare our students to excel in a rapidly evolving world. It is not just a place where academic pursuits harmonize with extracurricular activities, but where our campus is designed to foster holistic development. We aim to nurture well-rounded individuals equipped to make a meaningful impact, with state-of-the-art facilities, cutting-edge technology, and a vibrant sports culture. Given our quest for academic superiority, we acknowledge the significance of the worldwide outlook. For this reason, we have established collaborations with reputable universities and institutions all over the world to expose our students to different perspectives and globally best practices.

We inherently believe in the dictum "SAGE Hai To Mumkin Hai".

Warm regards,

Mrs. Kiran Agrawal

Chairperson, The Sage Group

In today's dynamic education landscape, the need for quality has never been greater. The world seeks a refined, capable generation, and at SAGE University, we are determined to raise the standard through diverse programs and courses. We prepare our students to face challenges and excel at both national and international levels. Beyond our state-of-the-art infrastructure, we provide a humble, student-focused environment that fosters intellectual growth and personal development. With highly qualified faculty, holistic grooming programs, and strong placement support, we shape our students into confident, sought-after leaders ready to excel in the global sphere.

MoU's & Tie-Up's

The collaboration provides budding graduates with knowledge on technological advancements, innovation, and industry competitiveness, aligning education with real-world industrial needs. It offers valuable insights into teaching methodologies and tailors curricula to ensure students are industry-ready. MOUs and Tie-ups promotes global skill development, outcome-based international training, internships, immersions, and career labs. The partnership also fosters research in plant conservation, ornamental horticulture, micropropagation, and medicinal plants, with a focus on plant tissue culture, applied research, and microbial techniques, providing students with a broad scope of academic and practical opportunities.

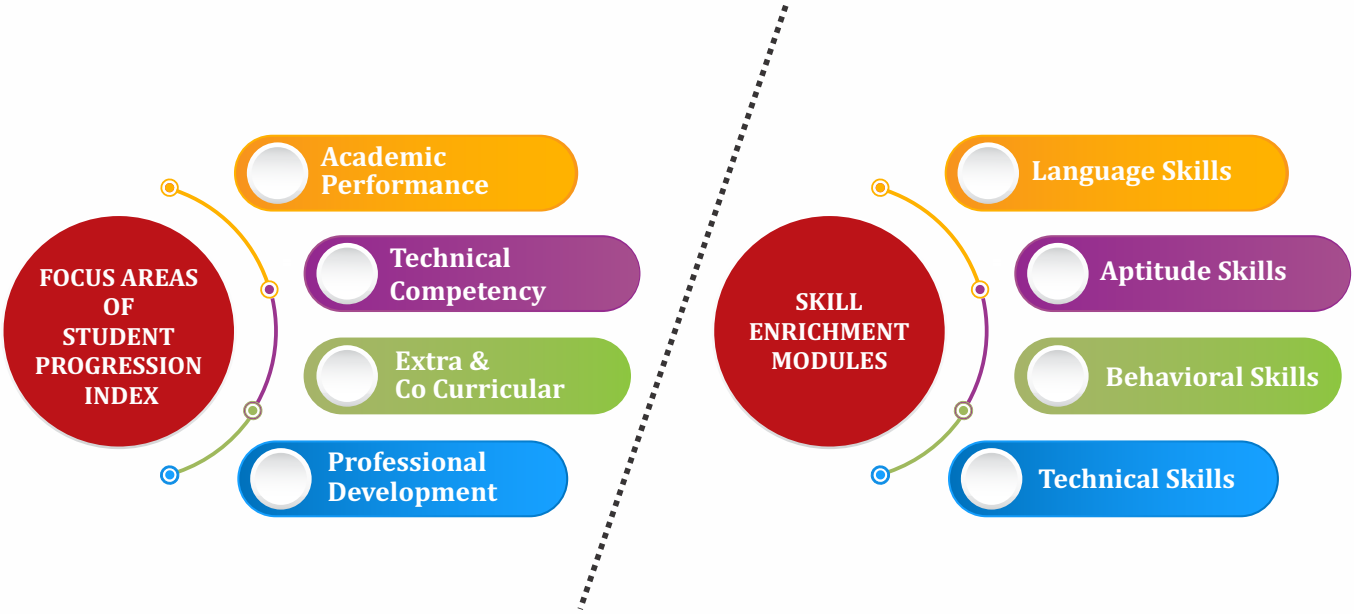

STUDENT PROGRESSION INDEX

(A transformative journey toward personal excellence and purposeful careers)

At SAGE University, Bhopal, we strive to go beyond traditional teaching by nurturing holistic growth through academic excellence, soft skills, and professional development. To prepare students for real-world success, the university has introduced a unique training initiative - the Student Progression Index (SPI).

SPI is built on the belief that education should align with one's life purpose, helping students identify their strengths and steer their future in the right direction. With regular pre- and post-assessments based on industry standards, SPI ensures measurable progress and readiness for professional challenges.

The SAGE App and ERP

The SAGE App and ERP empower students and faculty with seamless digital access to academic and administrative resources. From attendance and assignments to exam results and notices, everything is just a click away. This smart platform ensures efficiency, transparency, and convenience for the entire SAGE community.

ATTENDANCE RULE

- Attendance shall be recorded for all forms of classes-lectures, practical, tutorials, and internal assessments.
- It will be the responsibility of student to maintain 75% attendance in all academic activities.
- Students with attendance below 75% for any reason shall not be eligible to appear in Mid Semester as well as End Semester Examinations.
- Maximum 10% attendance relaxation may abe granted on account of illness or emergencies supported by prior permissions.
- Participation in recognized extracurricular activities shall be considered as attendance on the day of the event.
- In rare situations, students may appeal to the Head of Department, who can forward the request to the Vice Chancellor for possible condonation.
- All leave requests must be pre-approved by the Head of Department. In emergencies, permission is required immediately upon return before rejoining classes.
- If a student is absent without approval for 15 or more consecutive days or fails to report back within 7 days of approved leave, the student will be de-registered and must apply for re-admission along with payment of fees. Re-admission is granted at the sole discretion of the University.

FEE PAYMENT SCHEDULE

Sage University Bhopal follows a structured and transparent fee payment schedule designed to facilitate smooth financial planning for students and their families. The fee structure varies by program, duration, and level of study.

- ***Payment Timeline:***
  - ⌘ Fees are typically paid semester-wise or annually as per the course requirements.
  - ⌘ The first installment is due at the time of admission to confirm the seat.
  - ⌘ Subsequent fee payments must be made before the start of each semester (July for odd semester and January for even semester) or academic year (July) as notified by the university.
- ***Modes of Payment:***
  - ⌘ University accepts fees through multiple convenient modes including online payment portals, bank transfers, demand drafts, and offline payments at the finance office.
  - ⌘ Detailed payment instructions and receipts are provided to students on payment confirmation.
- ***Fee Components:***
  - ⌘ Tuition Fee – varies by course and specialization.
  - ⌘ Hostel Fee – applicable if availing campus accommodation.
  - ⌘ Examination Fee, Caution Deposit, and other miscellaneous charges as applicable.
  - ⌘ Separate fee structures apply for different courses such as Engineering, Management, Pharmacy, Arts, Science, and Law.
- ***Late Payment and Penalties:***
  - ⌘ Delayed payments beyond the due date attract late fees or penalties as per university policies.
  - ⌘ Repeated delays may result in restricted access to academic resources and examination registration.
- ***Refund Policy:***
  - ⌘ Admission fees and certain other charges may be non-refundable.

Refunds and fee adjustments are processed as per university guidelines and government
