About SAGE University

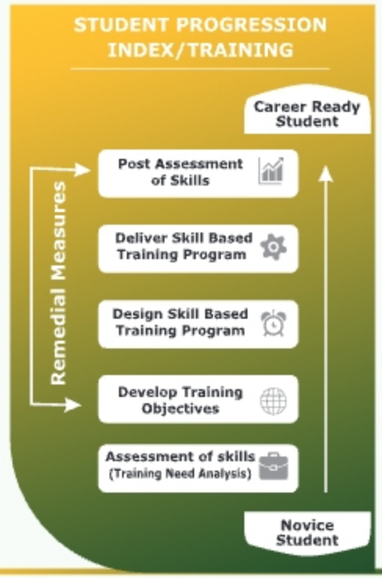

SAGE University, Bhopal, stands at the forefront of transformative education, dedicated to strategic expansion and delivering exceptional multi-disciplinary learning experiences. The university champions holistic development, cultivating values, competencies, and critical thinking skills that empower students to navigate complex real-world challenges with confidence and clarity. Recognized as a premier Centre for Education, SAGE University Bhopal is committed to shaping visionary leaders through pioneering academic methodologies and forward-thinking programs. With unwavering focus on experiential learning and intelligent pedagogy-including a distinctive 50% outside classroom learning approach—the university equips students to thrive in dynamic professional landscapes through real-world projects, industry immersions, and hands-on problem-solving experiences. Distinguished by its faculty, cutting-edge infrastructure, and remarkable placement outcomes, SAGE University has established itself as a leading educational institution across Central India. The university aspires to become a global powerhouse in education and research, establishing new standards of excellence through innovative teaching practices and progressive institutional vision. SAGE University fosters an intellectually vibrant, student-centered environment, providing advanced facilities that ensure comprehensive educational experiences. The institution distinguishes itself by prioritizing continuous learning, personal transformation, and ethical leadership development.

Pedagogy

SAGE University's transformative pedagogy centers on exploration, innovation, critical inquiry, and knowledge creation. Our distinctive "Explore and Develop" philosophy shapes pioneering career pathways and dynamic academic programs, emphasizing experiential learning methodologies. With 50% of learning occurring beyond traditional classrooms through industry partnerships, field projects, and immersive experiences, we cultivate highly employable graduates equipped with advanced technical expertise, inventive problem-solving capabilities, and exceptional communication proficiency-ensuring comprehensive professional and personal development.

Dr. Shriparna Saxena
Professor and Head
School of Agriculture

- 27+ years in academics, research & leadership.
- 70+ National and international publications.
- Recipient of 12+ prestigious research grants
- Awarded by Vigyan Bhushan award (DST) & Bhumi Sammaan award (State award)

Adding wings to your dreams!

SAGE School of Agriculture

The School of Agriculture at SAGE University Bhopal offers an ICAR-aligned curriculum supported by modern labs, smart classrooms, and a 30+ acre experimental farm. Students gain strong practical exposure through fieldwork, crop trials, and hands-on projects. Unique facilities like the crop museum, crop cafeteria, and polyhouse enhance experiential learning. Expert faculty guide students in agronomy, soil science, plant protection, and sustainable farming practices. Strong industry collaborations provide valuable internships and placement opportunities. The school promotes agripreneurship and prepares learners for emerging careers in the agri and blue economy sectors. With a focus on innovation, climate-smart agriculture, and community outreach, students receive holistic development. The School of Agriculture stands as a vibrant hub for nurturing future-ready agricultural professionals.

Facilities

Agricultural Land

SAGE University in Bhopal has 30 acres of agricultural experimental land and 2 acres of hi-tech polyhouses. We prioritize hands-on practical experience for our students by involving them in every stage of agricultural activities, from sowing to harvesting various crops. We conduct research trials of crops like Rice, Wheat, Chickpea, and produce green vegetables & flowers in the polyhouse.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Cafeteria

SAGE cafeteria is more than just a dining place. It's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambience makes them want to come back for more.

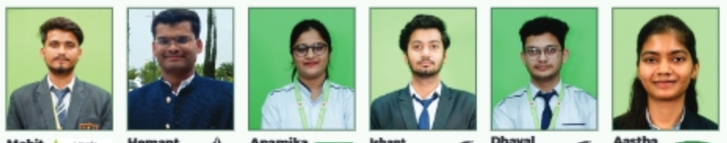

Laboratories

The university offers advanced labs for hands-on training, fostering a strong academic environment. These labs provide practical exposure and a chance for students to apply what they learn in class. It highlights the training programme offered to researchers for hiring & specific equipment following safety protocol. Regular audits ensure proper facilities and support for students' experiments.
