About SAGE University

SAGE University, Bhopal, stands at the forefront of transformative education, dedicated to strategic expansion and delivering exceptional multi-disciplinary learning experiences. The university champions holistic development, cultivating values, competencies, and critical thinking skills that empower students to navigate complex real-world challenges with confidence and clarity. Recognized as a premier Centre for Education, SAGE University Bhopal is committed to shaping visionary leaders through pioneering academic methodologies and forward-thinking programs. With unwavering focus on experiential learning and intelligent pedagogy-including a distinctive 50% outside classroom learning approach—the university equips students to thrive in dynamic professional landscapes through real-world projects, industry immersions, and hands-on problem-solving experiences. Distinguished by its faculty, cutting-edge infrastructure, and remarkable placement outcomes, SAGE University has established itself as a leading educational institution across Central India. The university aspires to become a global powerhouse in education and research, establishing new standards of excellence through innovative teaching practices and progressive institutional vision. SAGE University fosters an intellectually vibrant, student-centered environment, providing advanced facilities that ensure comprehensive educational experiences. The institution distinguishes itself by prioritizing continuous learning, personal transformation, and ethical leadership development.

Pedagogy

SAGE University's transformative pedagogy centers on exploration, innovation, critical inquiry, and knowledge creation. Our distinctive "Explore and Develop" philosophy shapes pioneering career pathways and dynamic academic programs, emphasizing experiential learning methodologies. With 50% of learning occurring beyond traditional classrooms through industry partnerships, field projects, and immersive experiences, we cultivate highly employable graduates equipped with advanced technical expertise, inventive problem-solving capabilities, and exceptional communication proficiency-ensuring comprehensive professional and personal development.

- Published more than 50+ research papers in reputed international conferences and journals indexed in SCI and Scopus.
- 2 Patents and 02 Books.
- Reviewer for various esteemed international journals under IEEE and Springer.

Adding wings to your dreams!

SAGE School of Engineering and Technology

The School of Engineering & Technology, ranked among the top private engineering colleges in Bhopal, offers comprehensive UG, PG, and PhD programs in fields like Computer Science, Structural Engineering, and Construction Technology. With modern labs, state-of-the-art equipment, and a focus on the global and social impact of engineering, it blends strong fundamentals with specialized expertise. Practical training, advanced facilities, and industry relevance prepare graduates for impactful careers in engineering.

Programs Offered

Bachelor of Technology (B.Tech)

Computer Science and Engineering

PhD in all Stream

Master of Technology (M.Tech)

Computer Science and Engineering
Artificial Intelligence | Data Science |
Structural Engineering |
Construction Technology and Management

Curriculum Based on NEP 2020

Eligibility Criteria

1. Candidates must have to clear 12th standard with minimum of 60% in PCM.
2. SAGE Entrance Examination (SEE)
3. Qualification for each program as per Government Norms

Research and Innovation driven Teaching Pedagogy	Industry-relevant Electives offered Across all Domains	Add-on Certification Courses	Hands-on experience in the form of Project Based Learning (PBLs)

SAGE School of Engineering & Technology

Vision

To attain global distinction through value-based holistic research, creativity, innovation and entrepreneurship.

Mission

- To create a research-driven environment for addressing national & global issues.
- To provide holistic education through innovative teaching-learning pedagogy.
- To develop a culture of innovations, creativity and entrepreneurship through an inter-disciplinary approach.

Student achievement

Mr. Sanchay Singh, a B Tech CSE student, won bronze in the 15,000m road elimination at the Asian Championship in China. Also he has been selected to represent Team India at the 20th Asian Skating Championship in Korea (20–29 July 2025)

Proud moment for SOET as Team EcoSmart Devs secures the Grand Finale win at SMART INDIA HACKATHON 2023 with their exceptional problem-solving skills.

Shikhar Sinha (B.Tech CSE) secured 2nd place in the Valorant tournament hosted by the eSports Club with Intel & Alienware, earning a cash prize of ₹10,000.

Campus Buzz

Facilities

Open-air Theatre/Amphitheatre

We offer students a vibrant campus life with a dedicated open-air venue for entertainment performances and outdoor activities, which creates opportunities for a variety of co-curricular and extra activities, contributing to the holistic development of students.

Library

We support students in their academic journey and research endeavors. Our library offers a carefully chosen collection of information sources, selected by experts and available for reference or borrowing. The library provides individual study spaces, group rooms, intensive reading areas, and collaborative workspace to enhance the learning experience for our students.

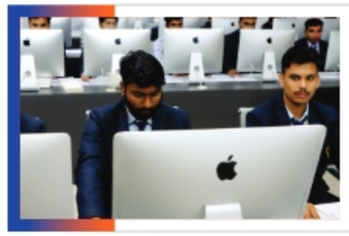

Auditorium

The Royal SAGE Hall is a modern auditorium on campus with professional acoustics and seating for 1200 people. It hosts international and national events, workshops, and cultural events, providing a well-ventilated and spacious venue that enhances the learning experience for quality education.

Cafeteria

SAGE cafeteria is more than just a dining place. It's a place to relax and socialize. With a friendly atmosphere, it serves a variety of traditional South and North Indian dishes made in-house. The nutritious food caters all students with varied preferences, and the welcoming ambience makes them want to come back for more.

Apple Lab

State-of-the-art IT and Apple labs with high-performance systems and licensed software create a robust ecosystem for coding, simulations, and analytics. Wi-Fi-enabled and AI-ready, these labs support hands-on learning in emerging tech fields including data science and cybersecurity.
